8th Annual Project G.R.A.D. (Graduation Really Achieves Dreams): Walk for Success

Brothers Brian Gibson, Marco Pitts, and Willie T. Green attended the “Walk for Success” event Sponsored by Communities In Schools Atlanta on September 22, 2007. The event began at 8:30a.m. in the cafeteria of Washington High School where they were served breakfast and were briefed on the procedures. The Brothers of Eta Lambda were accompanied by two sophomore students that were assigned to assist as they journeyed into the community to solicit signatures from parents to allow their ninth grade students to participate in the program.

The mission of the program is to ensure a quality public school education for all at risk children in economically disadvantaged communities so that high school graduation rates increase and graduates are prepared to enter and be successful in college.
